

Have you seen this..?

Horse Chestnut Leaf Miner –

Curling, dead leaves of an affected tree

Defoliation of an affected horse chestnut tree

Early Horse Chestnut Leaf Miner damage

Adult Horse Chestnut Leaf Miner moth (5mm)

You can learn more about the project and the pests and diseases we are most concerned about, please visit **www.observatree.org.uk**

If you think you have seen something unusual and would like to find out what you need to report, please visit

www.forestry.gov.uk/treealert

Observatree is a citizen science project led by Forest Research, in collaboration with key organisations

Previously 50% funded by the EU's LIFE+ Programme (2013-2017)
